

Introducing

Secure Lite Armsleeves

By sigvaris

*An ultra-soft graduated compression
armsleeve for all-day wear*

Sigvaris offers a range of armsleeves that are optimized for preventing and maintaining lymphedema. We are excited to announce the launch of the new Secure Lite Armsleeves that are made from soft, lightweight materials so they are comfortable for all-day wear. Features include:

- Soft, comfortable materials that glide on and off with ease
- Low-profile 2.5cm micro-dot grip-top band to ensure garment stays in place all day long
- Lightweight wrist cuff for maximum comfort during everyday activities
- Provides UPF 50+ sun protection
- Coordinated with Secure 560 Gloves & Gauntlets
- Double-covered yarns ensure no bare spandex against the skin
- Patterns that look great on the arm - not just on the box!

Please review the provided literature and measurement guide for additional details on Secure Lite Armsleeves.

For more information, contact your Sigvaris Territory Manager or our Customer Care Team at 1-800-322-7744, Ext 1.

Best regards,
