IMPORTANT BILLING INFORMATION

*PSYONIC recommends the L6935 for below elbow amputations, please adjust for other levels of amputation accordingly.

The responsibility for accurate coding lies with the patient care facility that selects a product and fits the patient. PSYONIC coding recommendations are based on our best judgment per industry standard practices. CMS Floor and Ceiling Data is based on the July 2025 DMEPOS Fee Schedule. These recommendations are open to revision based on additional information or changes in the L-code system.
