

I Comprevest®

Compression Level

15-25mmHg

Features

The Comprevest offers mild to moderate compression to the chest and back. Designed with features for an improved fit and overall comfort; the Comprevest includes wide velcro straps and adjustable hook closures. The Comprevest is offered in sizes Small to XX-Large with cup sizes A/B - DD.

For added stimulation of the effected area, pair the Comprevest with the Chip Pad Bra. With chip foam sewn into channels, the Chip Pad Bra massages and breaks down fibrotic tissue, while the channeling directs the fluid for removal. The Chip Pad Bra is designed to be inserted into the interior side pocket of the Comprevest.

Ideal for

- Post-surgical procedures including mastectomy, lumpectomy or radical reconstruction
- Lymphedema
