

NORD° LINER®

TF 3.1 Cylindrical NF-53

TF 3.2 Conical NF-53

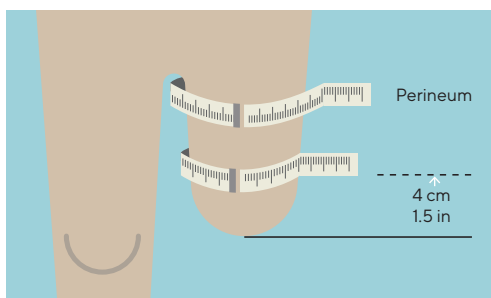

TF/AK vaccum liner designed to Conform & Stabilize in a balanced way. Comfort & Stability for TF/ AK users. Nord° custom TPE formula conforming without deforming. V-shaped sealing membrane in silicone for effective vacuum and rotation control. Easy use of stump socks.

- Mini-Stretch Textile
- V Membrane Design
- Distal Easy Turn

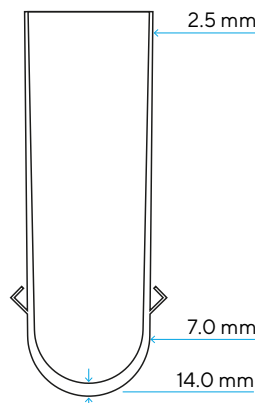

Nord° Formula	NF-53 Custom blend HQ TPE	
Intended for	Everyday activities	
Length	≈ 47 cm	
Color	Dark Grey	
Weight	Size 30 Cylindrical ≈ 585 gram	
Products	Produced in Spain	
Nord° Formula	Produced in Sweden	
Packaging	85% recycled paper. Produced in Sweden	
CO₂ emission	LCA in progress.	

Minimum recommended length of residual limb

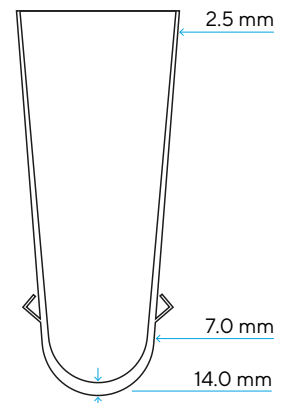

Liner Sizes	Min.Length
25-30	125mm
32-40	135mm
45-50	155mm
55	165mm
