

ORTHO SKIN™

Waterproof Cast Liner

- ▶ **Equivalent to GORE® PROCEL® Cast Liner → 100% ePTFE membrane**
Utilizes the same ePTFE technology with 20 years of clinical performance.
- ▶ **Breathable, waterproof, washable cast padding**
Water and contaminants drain quickly and easily due to the channels. The remaining moisture vapor easily passes through the breathable padding, resulting in a dry cast.
- ▶ **Comfortable Casting → Enables patients to get their casts wet**
Allows for normal daily bathing and cleaning, keeping the patient's skin healthy, comfortable and cool.
