

PRO-FLEX[®] LP
+
UNITY[™] SLEEVELESS
VACUUM

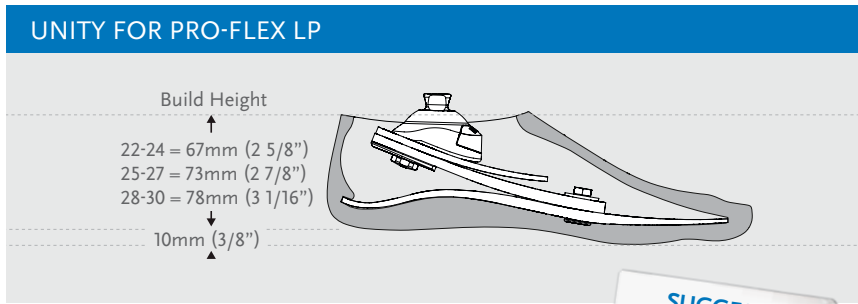

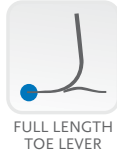

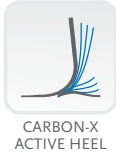

With Pro-Flex LP, users with longer residual limbs can finally experience full-height dynamics in a low profile foot. The secret lies in Pro-Flex LP's unique 3-blade design, which includes a "reverse tapered" mid-blade to help generate anterior flex, plus a footblade that incorporates a full effective toe lever and a more anatomical split toe. This innovative design helps generate exceptional toe-off energy and a fluid, natural progression from heel strike to toe-off for a level of performance that approximates a conventional standard height foot.

Add Unity sleeveless elevated vacuum for excellent volume control and suspension with minimal added weight and no added build height.

PRO-FLEX® LP FEATURES

SUGGESTED BILLING CODE*
L-5981, L-5986

RATINGS

- Low to high impact levels
- Maximum patient weight is 365 lbs (166 kg)

OPTIONS

- Available in sizes 22-30, categories 1-9
- Male pyramid
- PLP0XYZ Pro-Flex LP (foot shell included)
X: category 1-9, YY: foot size (22-30), Z: side (L/R)
Please specify when ordering brown covers, add "BR" to the part#
- FST0YYZ Foot Cover Kit (replacement foot shell)

UNITY® KITS (must order foot and pump for full kit)

- PLPUXYYZ Pro-Flex LP with Unity Sleeveless Vacuum (foot shell included)
- UPL0024 Unity pump module for Pro-Flex LP size 22-24 (retrofitable)
- UPL0030 Unity pump module for Pro-Flex LP size 25-30 (retrofitable)
- UPL00024 Unity PFL Components size 22-24
- UPL00030 Unity PFL Components size 25-30

WARRANTY

36-month warranty on Pro-Flex XC
24-month warranty on Unity Pump Kit
12-month warranty on Unity valve and membrane
