Semi-Custom Nipple and Areola Prosthesis by Radiant Impressions

Radiant Impressions offer patients the opportunity to enhance their comfort and confidence through custom nipple prosthetics. The Radiant Impressions Semi-Custom Nipple and Areola Prosthesis come in four different areola sizes, three projections and a choice of over 30 colours ensuring your 'perfect match' for their unique skin tone and preferences.

This personalized approach ensures that each patient receives a prosthetic that not only looks natural but also feels tailored to their individual needs, helping them regain a sense of normalcy and self-assurance.
