The VENUM™ spinal system is ideal for patients requiring firm spinal support combined with nearly effortless comfort. The unique and mechanically advanced closure system makes the VENUM™ a snap to don and doff with minimal effort. Its sleek weightless construction is breathable, hypoallergenic and nearly undetectable under clothing, resulting in maximum comfort. The ergonomic design of the VENUM™ brace, patient therapy participation is promoted by adjustable levels of support. (Size Range: Small - 3X Large)

Typical Indications • Chronic Back Pain • Degenerative, Herniated or Bulging Disc • Spondylolysis • Spondylolisthesis • Spinal Stenosis • Facet Syndrome • Tumors or Inflammation • Spinal Instability • Lumbago
