

## Z-12 OA

Sizes: xs, s, m, l, xl, xxl

Provides relief from the symptoms of OA while stabilizing the knee and protecting the ACL, PCL, MCL and LCL.

[Learn more about knee osteoarthritis.](#)

### Common Examples of Use

- Unicompartmental OA
- Unicompartmental OA / meniscal instabilities with ligamentous injuries

### Product Features

- Low-profile frame
- Prefabricated version has 3° of correction built into the frame; custom has up to 8° of correction capability
- Unique strapping design minimizes brace migration
- Sport model available with Hi activity pads and D-rings
- Hi activity pads feature an extra-grip material to assist in fit and suspension for impact activities

Category: Functional OA.
